We offer you two options:

We rent directly to your employees

Your employees can rent their new apartment directly from us. They can count on our excellent tenant service. We are there for them around the clock every day and take care of all their requests – also on weekends and holidays. Inform your employees about this offer!

We rent directly to your company

You as a company can also rent one or more apartments from us and make them available to your employees. Whether you need one, ten or even more apartments – for whole families, individuals or flat-sharing communities: We will find the right employee housing solution for your needs.

Whether direct rental to your employees or rental as a company in a package - GCP offers these advantages:

- 24/7 service-center via telephone
- Personal tenant consultation hours on site
- Modern apartments with generous floor plans
- Freshly wallpapered and painted
- New PVC floor in laminate look
- New tiles in kitchen and bathroom
- New sanitary facilities
- Renovated residential buildings with bright, friendly facades
- Janitor service and stairwell cleaning
- GCP App with many great functions

We offer employee apartments in various sizes – from 1-room apartments to spacious 5-room apartments. The minimum rental period per apartment is usually 12 months.

Choose from our flexible packages:

- **OUR STANDARD** – unfurnished apartments: Your employees can furnish the living space according to their own wishes
- **THE COMFORTABLE SOLUTION** – apartments with a complete built-in kitchen
- **READY TO MOVE IN** – (partially) furnished apartments: Your employees can move in immediately
